Rule 80. Admissibility Of Testimony At Prior Trial.

When admissible, the testimony of any witness given in any court at any former trial between the same parties or their privies and involving the same issue or claim for relief may be proved by the duly certified transcript thereof.

Reporter's Notes to Rule 80: - 1. Rule 80 is a slightly revised version of FRCP 80. Superseded Ark. Stat. Ann. 28-713 (Repl. 1962) contained the grounds for admitting former testimony although Rule 804 of the Uniform Rules of Evidence now contains such grounds. The question, therefore, as to when former testimony is admissible is determined by Rule 804. When it is admissible, it is proved under this rule.
